ROYAL WEST ACADEMY

COMPUTER FUND DONATION FORM

Voluntary contribution to the Computer Fund

In addition to providing a structured milieu in which students are committed to academic achievement, bilingualism, an appreciation of the arts, an understanding of social issues, and a sense of community responsibility, Royal West Academy strives to develop, in all students, the ability to use digital technology effectively which requires that available technology be constantly up-to-date.

Since 1992, parents of Royal West Academy have generously donated funds to the school in order to provide students with a variety of modern technology that aims to enhance the learning experience for all our students. Parents are invited to make a voluntary tax deductible contribution in support of our mission.

Please make your cheque payable to **"EMSB Donation Account"** and write "**RWA Computer Fund**" and **your child's name** clearly **on the back**.

Contribution:

☐ $100.00 ☐ $200.00 ☐ $250.00 ☐ Other: $_____

THANK-YOU!
