**Additional Information / Specifications**

- 1) If a student misses a test it becomes his/her responsibility to schedule a re-write. The student may be asked to submit a **valid note** for her/his absence on the day of the test. She/he has **3 days** to complete the missed test; otherwise a mark of zero is given.
- 2) Students' grades will be posted on Schoology, parents will be able to see student grades if they have signed up.
- 3) Failure to submit assignments and lab reports on time will result in mark penalties according to the student handbook.
- 4) Plagiarism, which may include copying another person's work (e.g. a lab report) and cheating on a test, results in an automatic mark of zero. Read the Student Agenda for more information about the school's plagiarism policy.
- 5) The Marine biology trip complements this course, however is not a requirement. There is only room for **45 students** to participate. Those who do not go on the trip will complete a related project.

**Remediation Schedule**

I will be available day 2 and day 5 at lunch time or by appointment.
