COURSE OUTLINE & EVALUATION
ADV. PHYSICAL EDUCATION:
LEADERSHIP & LEISURE STUDIES
54-01/54-02

Teacher: Mr. J. Bateman

Course Outline and Evaluation:

Aim:

The aim of this course is to develop the cognitive, psychomotor, and affective domains of each learner, to the maximum of his/her potential through a variety of activities, situations and experiences. (To develop dynamic and confident leaders.)

Goals:

- To increase the student's awareness of leadership skills and the need for competent leaders in our community.
- To study administrative and programming techniques, which will provide the student with the knowledge to successfully assume a leadership role in leisure environment.
- To assist students in the understanding of "effective leadership" and how to become better leaders.
- To learn to listen, communicate, evaluate, give and receive constructive feedback, handle conflict, organize self and programs, study and practice qualities of effective leaders in leisure settings.
- To build greater self- confidence and self- esteem through the development of good communication and leadership skills.
- To increase the student's leadership capacities through experience and deliberate practice.
- To allow students the opportunity for ownership and control over aspects of the programs developed, allowing for appropriate decision making and personal growth from success and failure.

In the Seven-day cycle, the students will receive instruction in four times; they are expected to be prepared to participate in every class.

****Participation will be based on sportsmanship (behavior befitting the situation), attitude, effort, punctuality and uniform. All students are expected to participate in all classes and submit materials on time. To be excused, a **medical note is required at the time of class.****

Evaluation:

The first & second term grades will account for 20% each. The third term will account for 60% of the final grade and will contain results from material completed all year long.

60% of the class time will be spent on the practical component of the course.

40% of the class time will be spent on the theoretical component of the course.

Students will be evaluated in all areas of the course including the out of class portion.

- 20% from beyond the classroom component*
- 30% class participation and cooperation**
- 25% testing (student as well as teacher's tests)
- 25% Projects/labs

The Final Mark will be an average of the year's work

***The Beyond the Classroom** component is worth a significant portion of your grade. It will be the responsibility of the student to adopt a program where they will offer their assistance to the coach/group leader. The student is expected to keep a detailed diary or record of all the dates and activities they assisted with. The student will be evaluated on both their commitment to the program as well as their ability to employ learned leadership skill. The assignment will be accepted when completed, but the final due date for submission will be June 1st.

Gym Uniform: Students are expected to arrive to P.E. class wearing the proper gym uniform i.e. Royal West burgundy t-shirt, Royal West gray shorts, white socks and proper footwear. Only RWA sweatshirts and gray sweatpants will be accepted for outdoor activities. Students are not permitted to wear nylons, tights or long stockings during P.E. for hygienic reasons. Students must also have their hair tied back and jewelry is not permitted for safety reasons. Marks will be deducted for infractions of these rules.

Locks: Please purchase and use an additional lock to secure your belongings in the locker room during P.E. class.
