**Behavioural Contract**

I contract to the following:

2. To ensure that my behaviour is such that I will not cause harm to others, and that I will show respect for other guests, employees, and property.
3. To assume responsibility for loss or damage of property when my actions have caused loss or damage.
4. To conduct myself in a way that will not cause embarrassment to me, my family, or my school.
5. To not diverge from the planned course of events without Mr. Aiken's permission.
6. To travel only as a group as prescribed by the teacher in charge (at least four students per group) and within a pre-determined area. **If, at any point, students are found in a group of less than four or found outside of the allowed areas, they will not attend upcoming planned activities. No refund will be issued for any missed activities or events.**
7. To always be in possession of a valid picture ID that reflects my actual age.
8. To not allow any student(s) of the opposite gender in my room at any time.
9. To respect the curfew and "lights out".
10. To neither join nor meet with anyone other than members of the RWA group, unless pre-cleared with a letter from parents to Mr. Aiken.
11. To act responsibly at all times.

I understand that the parents of students not fully respecting their contract will be notified, and **the student may be sent home at the family's expense**. I further understand that **there will be no refund**. The student may be banned from participation in all future school trips without recourse and **will be suspended from school**.

**I have read and I understand the behavioural contract for the grade 11 New York City Trip and I agree to abide by the terms of the contract as well as to follow and other rule(s) the chaperones may impose.**
