

Royal West Academy

Course Outline

Course: **Enriched Biology**

Teacher: Mr.Jo Room: 302/online

E-mail: ijo@emsb.qc.ca

Texts/workbooks: Modern Biology

Course description: Students will explore a series of units which will introduce them to a wide range of areas in biology (eg. evolution, protein synthesis, genetics, classification of living organisms and the study of marine life). Learning will involve class work, lab experiments, projects, quizzes and tests.

Materials

Binder for handouts, Journal book (spiral notebook)

Pens, pencils, ruler, coloured pencils, glue stick

Evaluation

Term 1 (50%)		
<i>Competencies Targeted</i>	<i>Evaluation Methods</i>	<i>Timeline</i>
C1: (Practical) <ul style="list-style-type: none"> Seeks answers or solutions to problems involving biology and communicates ideas relating to questions involving biology, using the languages associated with science and technology 	Lab Reports	2-3 reports/Term
C2: (Theory) <ul style="list-style-type: none"> Makes the most of his/her knowledge of biology and communicates ideas relating to questions involving biology, using the languages associated with science and technology. 	Quizzes and Tests Projects/Presentations Journal	2 - 3 tests/Term 1-2 per term Ongoing (evaluated each term.

Evaluation (continued)

Term 2 (50%)		
<i>Competencies Targeted</i>	<i>Evaluation Methods</i>	<i>Timeline</i>
C1: (Practical) <ul style="list-style-type: none"> Seeks answers or solutions to problems involving biology and communicates ideas relating to questions involving biology, using the languages associated with science and technology C2: (Theory) <ul style="list-style-type: none"> Makes the most of his/her knowledge of biology and communicates ideas relating to questions involving biology, using the languages associated with science and technology. 	Lab Reports Quizzes and Tests Projects/Presentations <ul style="list-style-type: none"> Marine biology Project Journal	2-3 reports 3-5 tests 2-3 projects Ongoing

END OF YEAR RESULTS

END OF YEAR RESULT							
Term 1 50%	+	Term 2 50%	+		=	100%	No School Exam %

100% (school mark) = END OF YEAR RESULT

Additional Information / Specifications

- 1) If a student misses a test it becomes his/her responsibility to schedule a re-write. The student may be asked to submit a **valid note** for her/his absence on the day of the test. She/he has **3 days** to complete the missed test; otherwise a mark of zero is given.
- 2) Students who earn a mark below 60% on a test must have it signed by a parent. Parent signatures are not required on assignments and lab reports.
- 3) Failure to submit assignments and lab reports on time will result in mark penalties.
- 4) Plagiarism, which may include copying another person's work (e.g. a lab report) and cheating on a test, results in an automatic mark of zero. Read the Student Agenda for more information about the school's plagiarism policy.
- 5) Students may keep their text book at home, but must keep it in good condition. They will be charged for losing or damaging the book (\$100).
- 6) **Important note to students and parents/guardians regarding course outlines: Due to COVID-19, there are many unknowns as to how the 2020-21 school year will unfold. Please note that the information on this outline may need to be modified as the year progresses. Rest assured that any changes made will be done so to reflect what we feel is best to maximize student's success.**

Remediation Schedule (Offered On-Line via Teams)

At present, remediation will be offered by appointment via Teams. Students can schedule appointments via email or in class.

I am always available at lunch time unless on supervision duties.

Parent/Teacher Communication:

Feel free to contact me at the school or by email if you have any questions or concerns.
