“If we are peaceful, if we are happy, we can smile and blossom like a flower, and everyone in our family, our entire society, will benefit from our peace.” – Thich Nhat Hanh

This week let's take some to reflect on Peace. Mark today **September 21st** on your calendar as one of the many days to celebrate Peace, as a day of awareness and education, and most importantly a day to bring peace within.

The United Nations' **International Day of Peace** - held every year on Sept. 21st - is a global observance when nations, villages, communities and people all around the globe gather together to pray and hope for peace. It's a day to "give peace a chance."

Anyone anywhere can celebrate Peace Day! It can be as simple as lighting a candle at noon, sitting in silent meditation, sending a positive thought into the universe, or doing a good deed for someone. An important step to finding peace begins with yourself, being peaceful in your mind and heart, and being grateful for what we have can help with this process. Appreciating even the small things

in life can inspire emotions of joy, calm and peace. **The key to Peace is YOU.** Spread love, kindness and compassion wherever you go. The question is what will you do to celebrate peace?

Ms. Trehin Sept 23

SEPT.30TH PEACE WALK
