LOST AND FOUND

The lost and found bins were tidied up Friday, September 24th. Please feel free to pass by and look for anything you may have misplaced.

There are three bins. The first, smaller container, is located on the counter in the office closest to Ms. Vaudry's office. This colourful box contains smaller lost items such as glasses, keys and even OPUS cards. The second larger bin is located outside the office. This contains an assortment of treasures ranging from pencil cases to jackets. The third large bin is located outside of the new gym. It was actually empty on Friday!

Please take the time to label all your school uniform items with a minimum of your first initial and family name. Without this information, your items are destined to linger in the lost and found bins.

Feel free to reach out to the Lost and Found committee at: rwa.lostandfound@gmail.com should you have any questions or concerns regarding a lost object.
