**PRINCIPAL'S REPORT**  
February 22, 2022

**COVID UPDATES**

- Parents are now asked to self-report their child's positive COVID results through the Mozaik portal. As per Santé Publique directives, schools are no longer reporting on positive cases;
- The EMSB has launched a website wherein parents can access COVID-related data for their child's grade level. Parents need to enter their email address as well as their child's ID number (called ID number in Mozaik, or Fiche Number on report card).  
<https://apps.emsb.qc.ca/covid19reporting2022> ;
- Panbio COVID testing is now available at school. Parents of students under the age of 14 must complete a Consent or Refusal form, which was sent out on January 14, 2022;
- Students will receive a government-issued rapid test kit, which includes 5 tests, on a monthly basis;
- Extra-Curricular Activities have resumed.
