2022 Summer Reading List & Instructions: Grade 7 Selections:

You must read **three (3)** of the following selections:

Half Brother by Kenneth Oppel

Breathe by Sarah Crossan

Scored by Lauren McLaughlin

Hound of The Baskervilles by Arthur Conan Doyle

When the World was Ours by Liz Kessler

You are expected to read the books carefully to prepare for your summer reading assessment which will take place over the course of September.

Grade 7 Summer Reading Assessment:

1. You will begin a group project for one of the books. This project will be discussed in class within the first cycle.
2. For the other two books, you will complete different assignments.

IMPORTANT information: All students will be **required** to complete the **GRADE SEVEN RWA Summer Reading Reflection** document. This document will be made available to all students on the RWA website. Please do not use the document for the higher grade levels. The purpose of the reflection is to think critically about the novels and be creative. Detailed instructions are on the document itself. The document will not be collected on the first day back, but expect to submit it sometime during the first week of classes (Cycle 1).

Please note that some of these books may have mature themes; we encourage students to consult reviews to make sure the books they choose to read are a good fit.

Have a great summer and happy reading!
