Additional Information / Specifications
<p>The tests in this course will include questions from the textbook. The textbook shall NOT be covered in class at all. The students must prepare individually on their own for those questions. Although their value is much less than other questions from class content, this is good preparation for college since many courses do not cover material and rely exclusively on the books.</p> <p>Any extension must be requested a day or more in advance with clear justifications and a demonstration of the work already accomplished on the assignment.</p> <p>10% of marks may be deducted for grammar or spelling.</p> <p>Late penalties are 10% per day.</p> <p>Do NOT use TEAMS to communicate with the teacher. Only ddupuis@emsb.qc.ca is the proper way to communicate. TEAMS shall only be used in the event of a covid mandated home lockdown, as per the previous years.</p>
