CONSTRUCTION UPDATE

Work on the auditorium continues to progress. We are in the final stages. Retractable seats have been installed and sound and light are operational. We expect to take possession around April 3. Minor details may still require work after April 3.

We expect cafeteria service to end on June 1st as there will be work done in the kitchen area of the cafeteria.

STAFF APPRECIATION

Special thanks to the parents of the Home and School for all their efforts in recognizing the amazing work our staff does for our community. Staff was spoiled with treats, gifts, and a delicious lunch during Staff Appreciation Week which was held between February 20-24.

SECONDARY 5 SKI TRIP

We were thrilled to once again offer Secondary 5 a grade level ski trip to Mont St-Ann and Le Massif. Special thanks to all the staff who took time away from their families to offer students a memorable experience.

PARENT-TEACHER INTERVIEWS

RWA hosted its second parent-teacher interviews of the year on March 16. This edition was held virtually. Parents were able to schedule short meetings with teachers, administration, guidance counsellors, and our peer tutoring coordinator.

END OF YEAR EXAMS

We are in the process of finalizing this year's May/June Exam Schedule. In May there will Ministry Exams administered while other grade levels continue with regular classes. RWA will continue to offer a prep exam in Secondary 4 Math CST and SN. This year we will also include a prep exam for Secondary 4 Science &

Technology theory. The S&T prep exam will be written on computer as the MEQ looks at the possibility of implementing digital exams in the future. RWA teachers will be offering their feedback to the MEQ and the EMSB.

The last day of regular classes will be confirmed soon. Exams will end on June 22, at the latest.
