**Additional Information / Specifications**

**Classwork:** Course packs will be found on the classroom portal (Google Classroom). Students are responsible for keeping track of assessments dates and deadlines. Students **may** be granted extensions in the event of extenuating circumstances if they request one from the teacher **at least 2 days** in advance.

**Absent from class:** Students are responsible for all material covered when they are absent from class.

**Absent for a test:** Students must have a valid reason to miss a test. A note explaining the absence from the evaluation may be required when the student returns to school. A student who is absent because of an ECA activity must notify the teacher ahead of time. Repeated absences will be reported to the administration. **\*\*All missed tests will be rewritten at the teacher's convenience. It is the student's responsibility to contact the teacher.** \*\* If the following procedures are not followed a mark of 0 will be given for the test or evaluation.

**Remediation:** If results show that a student is experiencing difficulties, they may be obligated to attend remediation.

**Math resources**

- <http://www.khanacademy.org> → A website containing small videos on many different subjects, including mathematics.
- <http://learnquebec.ca> → An online website including slide shows on many different subjects and online tutoring. You need a password, provided by the homeroom teacher or the administration. There are also online tutoring sessions.
- <https://www.cemc.uwaterloo.ca/courseware> → It contains really good math videos and practice exercises.
- Peer tutoring: A tutoring service organised by Mrs. DiPietro (room 226) where students tutor other students.

**Summer School**

In the event of a failed course, it is possible that the student may be required to attend summer school.
