

Royal West Academy

Course: **Secondary V Music (Sound Engineering – Section) – Science Stream**

Teacher: Ms. Ginette Purdy Room: 106

E-mail: gpurdy@emsb.qc.ca

Course description:

This project-based course will explore the creation and the recreation of sound. Students will learn about live and studio recordings and how to manipulate sound through equalization, compression, reverberation and pan. Using software and hardware provided by the school, along with their own acoustic instruments and digitally sequenced sounds, students will make multi-track audio creations along with sound for video. In order to gain musical literacy, students will explore various elements of musical analysis that will include: form, style, structure, tonality and meter. Students will explore their own musicality through song creation and performance.

Software Tools: Apple Garageband, MS TEAMS

Hardware Tools: Apple MacBook, M-Audio MobilePre Interface, Dynamic and condenser microphones, head phones

Evaluation

Terms 1 and 2 (20%), Term 3 (60%)		
<i>Competencies Targeted</i>	<i>Evaluation Methods</i>	<i>Timeline</i>
Creates and Performs Musical Works Listens and Appreciates Musical Works	Projects, assignments and quizzes	<i>By due date</i>
<i>Communication to Students and Parents</i>	<i>Materials Required</i>	
Communication from teacher to student will take place in person or through MS Teams. Communication with parents will be done through the Mozaik portal.	<ul style="list-style-type: none"> • Earphones or ear buds • Acoustic instrument

END OF YEAR RESULTS

END OF YEAR RESULT						
Term 1 20%	+	Term 2 20%	+	Term 3 60%	=	100%

Additional Information / Specifications	
<p>There are no formal examinations in this course.</p> <p>Term marks are based on written evaluations of individual and group recording and editing projects including live recording and editing.</p> <p>Work should be done IN CLASS. Students are expected to use class time wisely to minimize the need for equipment during remediation hours. Deadlines are to be respected. Late assignments will be penalized according to rubric guidelines. Please refer to the school policy on plagiarism.</p>	
Remediation Schedule (room 106)	
Lunches on Tuesdays and Thursdays and Fridays at lunch by appointment only	Time 12:30-1:10

I have read, understood and agree with the course outline and evaluation scheme for Secondary 5 Sound Engineering. I am aware that all assignments will be posted in TEAMS as will grades and comments for each assignment.
