

Royal West Academy

Student Bulletin

We would like to acknowledge that Royal West Academy is located on unceded Indigenous lands. The Kanien'kehá:ka* Nation is recognized as the traditional custodians of Tiohtià:ke/Montréal*, which has long been a site of meeting and exchange for many First Nations and is currently home to diverse groups of Indigenous and other peoples. We are grateful to live, work, and learn here and recognize the important role of education in reconciliation. (and in maintaining connections between the past, present, and future.)

Anonymous Report Box + Suggestion Box

The Anonymous Reporting Box is located across from the caretaker's office on the way to Memorial gym. This is an opportunity to report incidents of bullying anonymously by dropping a report into the box at your convenience. The box is checked regularly by the behavior technicians who then follow up on the reports.

The purpose of this Reporting box is expanding to include a general Suggestion Box. RWA is excited to hear any suggestions you have for school improvement. The more details you can share, the more effectively we can follow up.
