

Royal West Academy

Student Bulletin

We would like to acknowledge that Royal West Academy is located on unceded Indigenous lands. The Kanien'kehá:ka* Nation is recognized as the traditional custodians of Tiohtià:ke/Montréal*, which has long been a site of meeting and exchange for many First Nations and is currently home to diverse groups of Indigenous and other peoples. We are grateful to live, work, and learn here and recognize the important role of education in reconciliation. (and in maintaining connections between the past, present, and future.)

The highest result
of education is
tolerance.

Samosa Bling

You used to call me on my cell phone
Recess when you need a snack
Call me on my cellphone
Recess when you need a snack

And I know when the S'mosa bling
That can only mean one thing

I know when the S'mosa bling
That can only mean one thing

Ever since you tasted curry
YOU
Got a reputation as a S'mosa fiend
Mocking my gold fish crackers's kind of mean
Girl you're crushing my self-esteem

Ever since you tasted curry
YOU
Started caring less and eating more
Scarfig Samosas out on the dance-floor
You don't need a Drakey macho man no more

You used to call me on my cellphone
Recess
When you need a snack

(Thursday: recess)

To students in grades 10 & 11

The RWA Prefect Board is re-launching. Although on hiatus for the last few years, the Prefect Board was an important part of our community, comprised of students selected to act as ambassadors for the school. Prefects participate not only in major school events, but in the school's daily activities. Similar to the prefects who helped at Hogwarts, the RWA Prefects fulfill the same role. If you feel you have the leadership qualities and initiative to serve as a prefect, you can pick up an application form outside room 213. If you have any questions about perfecting, you can see Ms. Colannino.

Students will use ERC, EPT, EdTech, PPO, or Financial Education class to complete the survey before December 4th. In the designated class, each student will receive their own password to login to the survey. Students will use a school device for the survey to ensure proper wifi. If you need more time than what is allocated at school to complete the survey, you can login at home to finish.

Lit Mag is Back!

Holy Moly! Is there something strange in your neighborhood? Is a supervillain attacking your city? Are the underground mole people impersonating your politicians (again). Does an eerie feeling follow you all day, even at night when you burrow into your bed? Before you call the ghostbusters, write to us at LitMag and send us all of your strange because this month's theme is: "it's a strange world after all". Visit our website at rwalitmag.com and submit to your subterranean overlords. Submissions are due by the end of molevember, I mean November.

Grads 2024

It is time to write your grad blurb. This is the message that will be displayed next to your grad photo in the yearbook. This could include memories, accomplishments, acknowledgements, and a favourite quote. Remember that someone might read your quote in 20 years, and you don't want to be embarrassed 😊. The deadline is **November 29th**. Be careful of what you write, all blurbs will be reviewed by a staff member (no emojis or movie/show stamps).
