

### **PPO Report for Governing Board November 27, 2023 meeting**

The RWA Parent Participation Organization (PPO) held its first meeting, organized by Mr. Pita, on October 30. Since then, a small nucleus of parents has come together twice to discuss how best to proceed, and a Terms of Reference was drafted. We realise the Terms of Reference is brief, however, we feel it should be sufficient to help us navigate the coming year; hopefully next September, a more detailed version can be drafted and adopted at the AGM.

As was indicated in our initial correspondence with the Governing Board Chair, our focus going forward will be to have an open (online) meeting to which all parents will be invited, and also to conduct a parent survey to get a better sense of the concerns shared by RWA parents, so that we can communicate that information to the Governing Board.

We look forward to collaborating with the members of the Governing Board in the coming months.
