

Royal West Academy

Student Bulletin

We would like to acknowledge that Royal West Academy is located on unceded Indigenous lands. The Kanien'kehá:ka* Nation is recognized as the traditional custodians of Tiohtià:ke/Montréal*, which has long been a site of meeting and exchange for many First Nations and is currently home to diverse groups of Indigenous and other peoples. We are grateful to live, work, and learn here and recognize the important role of education in reconciliation. (and in maintaining connections between the past, present, and future.)

Pickleball Postponement:

Due to a rescheduled badminton tournament, pickleball, on the 11th, will need to be postponed to a later, yet to be determined, date. Also, unless there is someone who is found to oversee the activity on the 18th, it will also need to be pushed back, as I am replacing, as a chaperone, on the grade 9 trip. Sorry for the inconvenience... Looking forward to getting some games/play in very soon!

"2024 Diversity in Research Experiences Across Mathematics (DREAMs) Institute", hosted by the Pacific Institute for the Mathematical Sciences (PIMS).

The *PIMS Diversity in Research Experiences Across Mathematics (DREAMs) Institute* is a three-week online summer enrichment program designed to provide high school students in their last year or two of studies an opportunity to explore the pursuit of mathematics at the University level. Participants will be introduced to four foundational areas of mathematics by guest lecturers during the first week and then work on inquiry based projects with the support of the lecturers and graduate teaching assistants.

No application essay or application fee is required. Students can simply go into the website above to fill out the online form, which will take only 5 minutes. Alternatively, high school teachers or mentors can nominate students who they feel will benefit from the camp experience.

Dates: July 22 - August 9

Time: 12pm - 5pm EDT

Location: Online

Official Info & Application: <https://www.pims.math.ca/events/240722-2direamdi>

Eligibility: Canadian citizens or permanent residents who recently completed Math 10 or an equivalent math course with the letter grade of at least a B.

Please feel free to contact me or pims.dreams.institute@gmail.com if you have further questions.
