The Marrow Thieves by Cherie Dimaline

Grade 9 Summer Reading Assessment:

1. You will complete the Summer Reading Reflection Questions in class.
2. You will complete an individual assignment based on one or both of the books you have read.
3. You will take part in a group project exploring one of the books you have read.

IMPORTANT information: All students will be required to complete the **RWA Summer Reading Reflection** upon their return to classes. This activity will take a full period, and students will be individually asked questions intended on allowing them to think critically about both novels and be creative. Detailed instructions will be provided in class at the start of the year.

We encourage students to take notes as they read their Summer Reading novels. Students are invited to consult the **Note Taking Guide**, published alongside our Summer Reading lists, on our school website. This guide will be published at the time of our school book fair (the week of May 9th).

You are expected to read the books and prepare carefully for your summer reading assessment which will take place over the course of September.

Please note that some of these books have mature themes; we encourage students to consult reviews and/or speak to their teachers to make sure the books they choose to read are a good fit.

Have a great summer and happy reading!
