All assignments handed in have to respect the format required by the teacher. A failure to follow the procedure when submitting an assignment will result in point penalty.

Plagiarism of any kind will be punished by the refusal of the instructor to correct the assignment and the student responsible given the mark "0".

Assignments are to be handed in on the due date (until 3pm unless otherwise indicated) or else a penalty of 10% per day may be deducted from the mark.

Unless explicitly stated, all assignments are considered to be individual work. Unauthorized teamwork (including sharing work between different teams) will be considered plagiarism.
