Come check out the other cool activities we have in store for you on the bulletin board in front of 104! Add your name to the sign-up sheets. First come, first served.

Attend 4 workshops + 2 challenges (bring a reusable water bottle and a waste-free lunch) = 1/2 Environment or Community credit. Get a half credit in one week during lunch hour. Combine it with another half credit you may already have or come back in April for Earth Week for the second half credit.
