

Royal West Academy Student Bulletin

FreeChristmasWallpapers.com

We would like to acknowledge that Royal West Academy is located on unceded Indigenous lands. The Kanien'kehá:ka* Nation is recognized as the traditional custodians of Tiohtià:ke/Montréal*, which has long been a site of meeting and exchange for many First Nations and is currently home to diverse groups of Indigenous and other peoples. We are grateful to live, work, and learn here and recognize the important role of education in reconciliation. (and in maintaining connections between the past, present, and future.)

RWA Beekeeping

Mason bees are solitary, gentle, native bees that don't make hives or honey but rather burrow into tubes, lay their cocoons and then fill the outer end of the tube with clay. Do you want to get a closer look at mason bee cocoons and help prepare them for winter? Then you can participate in an interactive activity on Friday, November 8 from 3:10 to 4:00 in room 204. Sign up on the door of room 204 to reserve your spot. Please note, this will count towards earning an ECA credit for RWA Beekeeping.
